

XAMK 10: Design: Character Design: Submission.

Student Name: DODDE Steven Lucarno

Character Name: Flesher

Flesher is a miracle worker and the main protagonist of the story. It has faculties suitable for close and ranged combat. His miracle is lightning and he uses it like a hell of a devil. Its catalyst is the Zeus sword forged from lightning and the trident of Poseidon.

He's a bit arrogant, but has a good heart. His ultimate goal is to become the most powerful . And must admit, it has the makings of it.
